

Research Tool (Step 2)

QUESTIONS	WHERE TO FIND ANSWERS	WHAT IS THE KEY ASK?
What are the most pressing SRHR issues in the country?		
How are they linked with SDGs?		
Who takes up the leadership of linked issues, once identified?		
Who are the decision makers in this space to target?		
Has your country conducted a voluntary national review?		
How much does the country spend on health? On SRHR?		
Is there a national SRHR policy or similar?
